

St. Benedict Preparatory School
Photo Fundraising 2011
(Pre-School - 1st Grade)

A Professional Photographer from Spotlight On 3 will be taking candid shots of the students from Pre-School up to 1st Grade during their recess time starting September 7th. Our goal is to capture black and white candid photographs of the students that will be offered for sale to the parents as part of our Annual School Fundraising efforts.

If you do not want your child photographed, please sign and return this form to Deb Bukovy in the school office by Tuesday, September 6th. You only have to return this form if you **do not** want your child photographed. If you do not return this form, it will be assumed that you give permission to have your child photographed.

We appreciate your help and hope to capture some great shots of the kids!

Please let me know if you have any questions.

Thank you.
