

## BITTY BASKETBALL WINTER SESSION REGISTRATION

Here is your opportunity to sign up for bitty basketball. Don't pass up the fun your child will have playing basketball with their classmates during the long winter months. Players learn the fundamentals of the game while having a great time. Experience has shown that many of our parents enjoy this time socializing while watching their rising star play the game.

The program is designed for St. Benedict students ages 4 - 9 years old (preschool - 3<sup>rd</sup> grade). There are two leagues: the beginner's league for preschool-kindergarten and the advanced league for 1st-3rd grades. Parents who are comfortable with their three year old child playing in the beginner's league are welcomed to register. Practice/games will be on Saturdays between the hours of 9:00AM - 3:00PM starting on January 16, 2010 and ending with a trophy party for players and fans on March 27, 2010. Practice/game will be for one hour with 30 minutes designated to practice and 30 minutes designated to playing time.

*The success of this program depends entirely on parental support. Each team will need 3-5 coaches. Please note your interest as a coach on the registration form.*

**Return the attached registration form and payment to the grade school or preschool office to the attention of Chris Deakins, Athletic Department by Thursday, December 17<sup>th</sup>. Late registration will not be accepted.**

For returning players please note that bitty basketball shirts will no longer be supplied, instead jerseys will need to be purchased at an additional cost of \$15.00 each. The jerseys can be used for all bitty sports as well as the elementary school kickball program. This is an additional purchase; however, the cost for the bitty sport's program has been decreased to accommodate the jersey cost. Also, parents can plan to use the same jersey for as long as your child can fit into it.

Most of the bitty basketball sessions consist of 100 plus players. We hope you will consider this as part of your Saturday routine!!!
